**EYP MENTORSHIP PROGRAMME**

Call for Participants

We are happy to announce the call for the 3rd round of the EYP Mentorship programme. This programme is designed to bring together young EYPers who are beginning their professional careers (and are, for example, finishing their studies and seeking their first jobs) or are in the transitional phase between the jobs and searching for input of EYP alumni who have a more extensive professional experience and can share their advice with the next generation.

You have 2 ways to participate:

- **as a mentee** in case you are interested in personal/professional development or have some professional challenges you need help with;
- **as a mentor** for a younger and active EYPer and help them overcome professional obstacles or find answers to dilemmas through your own professional expertise and life experience.

If you’re interested, please apply by **15th January, 2020** via this link: [https://infoeyp.survey.fm/eyp-mentorship-round-3](https://infoeyp.survey.fm/eyp-mentorship-round-3)

An indicative suggestion of how mentor-mentee pairs can work is below (please bear in mind that mentors and mentees are free to choose the way they work):

- 1-hour webinar for both Mentors and Mentees (optional);
- First 2 weeks after the webinar: a get-to-know call;
- First 2 months: 2-3 skypes/meetings;
- 1-2 months break;
- After the break – a follow-up skype;
- Up to the Mentee/Mentor to go beyond that (optional).

In this third round of the program, we are excited to also offer our experienced alumni the opportunity to share their expertise into a specific topic with the EYP community! If you have a topic in mind you would like to speak on, please sign up! (If you are interested in this but not in applying for the mentorship program, just let us know what topic you’d like to speak on by replying to this message).

Additionally, here you can find extra information and an interview with Lars (mentee) and Irem (mentor) from the last round of the mentorship program: [https://eyp.org/take-part-in-the-next-round-of-the-eyp-mentorship-programme/](https://eyp.org/take-part-in-the-next-round-of-the-eyp-mentorship-programme/)

We are very much looking forward to receiving your applications!

Should you need any further clarifications, we are always at your disposal. Get in touch with us at info@eyp.org.
